

EMERGENCY PREPAREDNESS IN KĀPITI

BE PART OF THE CONVERSATION

**You're invited to our Ōtaki
emergency preparedness
drop-in session**

**Wednesday 12th July
7.00pm – 8.30pm**

**Otaki Fire Station
96 Mill Rd, Ōtaki**

Come along to this informal drop-in session to:

- View large tsunami evacuation zone maps
- Have your tsunami questions answered
- Learn about your Community Emergency Hub (formerly 'Civil Defence Centre') and Community Response Plan
- Find out about what you can do to help your community in an emergency
- Getting prepared at home
- Have a discussion about warning systems and other options the Council could consider to help guide people to safety in a tsunami, i.e. blue lines and signs.

Check out our 'Are you prepared for a tsunami?' booklet (available on our website) for helpful information on knowing the natural warning signs of a tsunami and how to get better prepared for an emergency.
