

Area D

Area C

Area B

Area A

10 • Extend native planting and dune restoration to road edge (dark green).

9 • Build a new sheltered, group picnic area on 'Fish 'n' Chip hill' with improved accessibility.

3 • No change to the lookout space and retain the circular grassed areas at the top of Maclean Street.

2 • Improve the carpark beside the stream and link to beach via boardwalks.

3 • Provide a new entranceway and amenities block that including showers, toilets, pergola and barbecues.

4 • Build a splash-pad next to a bigger playground to introduce safe and fun water play into the park.

5 • Reposition the kiosk closer to Marine Parade.

6 • Extend the shared path through the whole park.

7 • Provide a proper half-court basketball area and a scooter track

8 • Slightly enlarge the main lawn area.

1 • Improve the Kāpiti Road entrance with a new Kāpiti Island departure point designed to reflect the significance of this area for local Iwi.

2 • Improve the carpark beside the stream and link to departure point and beach via boardwalks.

OTHER

- Site interpretative signage (All Areas)
- Power connection to grassed area for small events
- Lighting on amenity structures

Note: All photos indicative only and actual details of structures and landscape finishes will be subject to design development of options.
