Is there anything else you'd like to tell us about this LTP?

I have been made to bear witness to local road works on Clunie Ave and Tennis Court Rd. Watching the contractors (Albert Mills) work (or often not work) and the amount of wastage has been astounding to watch. I have witnessed procedures required multiple crews that were performed without ANY reason, possibly simply because they were part of the "package" that is provided when doing road works. Seeing this incredible waste hurts me directly, personally. I work hard and pay rates. This is MY hard earned money being wasted. I realise it's difficult to hold contractors to account and to monitor them all of the time, but surely there must be a better more efficient way of getting things done. I am happy to speak about what I witnessed in detail, if someone would like to give me a call. [REDACTED].

Cheers,
