Submission

Proposal 1: Three waters funding
Which option should we choose? (select one option)

Option 1: Fund \$4.7 million shortfall with an additional 5% rates increase in Year 1.

Proposal 2: Proactively reduce Council's debt
Which option should we choose? (select one option)

Option 3: Apply average rates increases of 6% per year from 2025/26 to 2033/34

Proposal 3: Transfer Council's housing for older people
Which option should we choose? (select one option)

Option 1: Transfer our older persons' housing assets to a new Community Housing Provider

New climate action rate

Which option should we choose? (select one option)

Option 1: Introduce a new targeted climate action rate based on a property's capital value rather than the current land-value based general rate

If you have any views on these other items, please comment here:

Cut rates increase by reducing wasteful spending on projects that should no longer go ahead and are not a priority eg skate park upgrade and more Mahara Place upgrades. Re evaluate what projects can be put on hold. A rates increase of 17% is unaffordable!!!!!!
