Submission

Is there anything else you'd like to tell us about this LTP?

Te Ara Korowai provides vital support for the Kapiti community and is the only mental health community centre. Without our centre many vulnerable and isolated community members will struggle with a lack of support and connection and there would be a real gap in services in our area. We are asking for council support around funding so that we can remain operational at our current level. This comment is in support of our primary submission made by Sarah Yuile.
