My Submission Is:

Include further detail on whether you support, oppose or are neutral on the application or specific parts of it, and the reasons for your views:

We oppose the application because it totally destroys the existing rural /lifestyle nature of the area in question. We initially bought our lifestyle property to enjoy the rural living it affords us and it is extremely frustrating to now be confronted ^{with} this proposed major development in the immediate area to our property. The proposed development is completely at odds with this part of Otaihangā.

It is also a serious concern that the existing Tiedo St access is barely adequate for the existing residents and will not handle the heavy construction traffic and eventual needs of the proposed lots that would use Tiedo St as its access.
