		SIZE:	6X2

ALCOHOL LICENCES

Changes to Public Notice requirements

We're moving all public notices for alcohol licence applications online.

Businesses applying for an alcohol licence (new and renewal) will no longer be required to publish a public notice in the newspaper.

If you wish to keep informed about alcohol licence applications, please sign up for email notifications of all new applications at kapiticoast.govt.nz/PublicNoticeEmails.

You can read current public notices at kapiticoast.govt.nz/public-notices.
