

Blue Bluff Slip Update

Council Briefing
Tuesday 26 November 2024

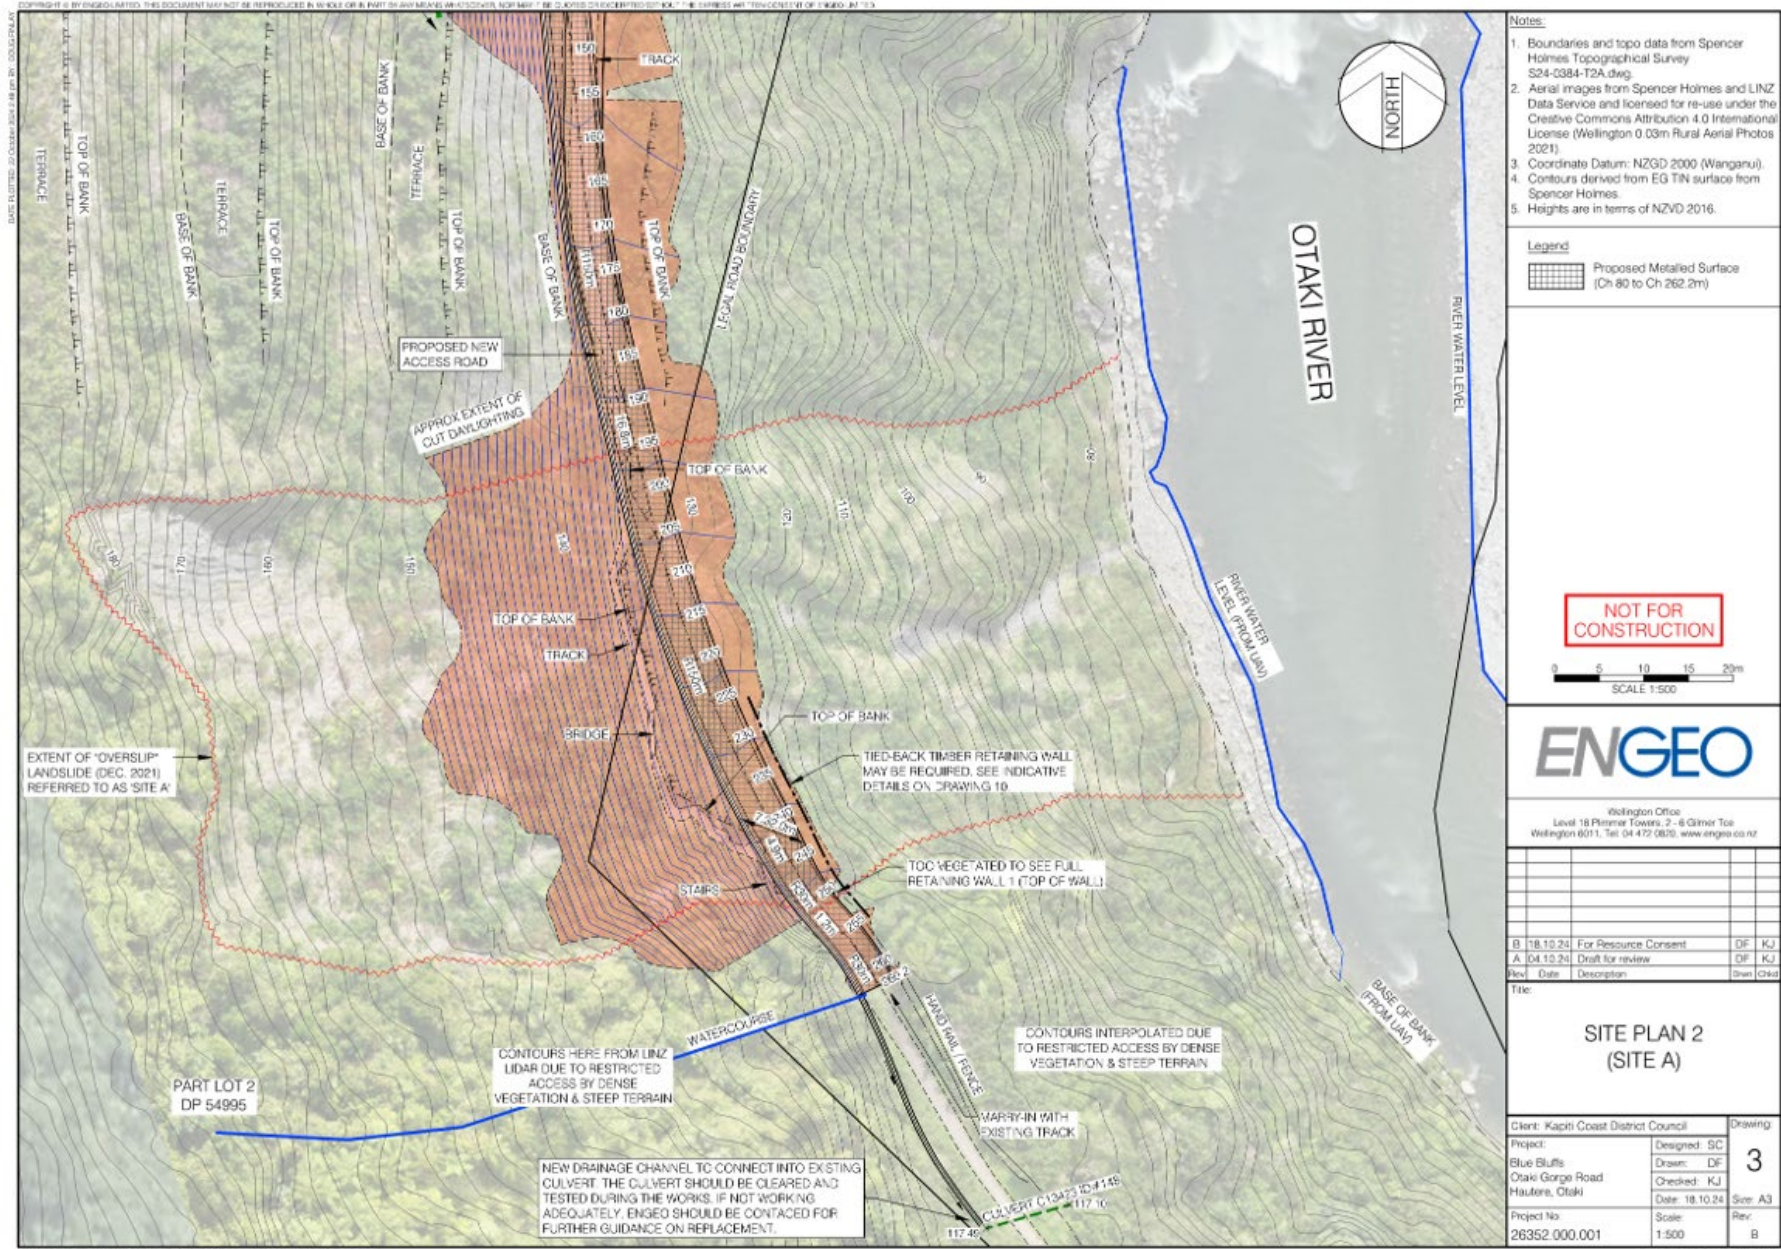

PROGRAMME

Latest Plans – New Road Layout

Site A - Over slip

Alternative track

Distance: 5 km one way
Time: 2 to 3 hours one way
Dogs: No dogs allowed

Property acquisition

Part 1400 Otaki Gorge Road
12.9465 hectares more or less

Future alternative route

- Drone survey completed to inform potential swing bridge landing sites
- Looking to meet with Iwi, Doc and stakeholder groups about a long-term solution
- After this, we'll have concept designs engineered and cost estimated.

Next steps

- Ōtaki Community Board update - 26th of November
- Council report for approval of property acquisition - 12th of December
- Resource Consent granted
 - Complete property acquisition
 - Inform the community on the upcoming track closure and works in the summer season. Comms and engagement with the affected parties, stakeholders, etc
 - Construction mobilisation and works
- Road to Forks remediation
- Open Road May 2025
