Request for Information under the Local Government Official Information and Meetings Act 1987 (the Act) (the LGOIMA)

Thank you for your email of **29 August 2024** requesting the following information:

KCDC's Long Term Plan and community support. I cannot find in the Long Term Plan any references to funding.

1. Are these services being funded by KCDC?

- a) Mahara Gallery**
- b) Zeal Education Trust**
- c) Kāpiti Youth Support**
- d) Te Puna Oranga o Ōtaki**

2. If so:

- a) Why are they not detailed in the Long-term plan?**
- b) How much are they funded?**
- c) For what period is the funding?**

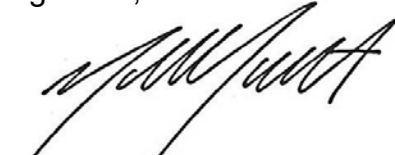

The Council's long-term and annual plans are reported at an Activity level as per the Local Government Act (2002).

Please note that any information provided in response to your request may be published on the Council website, with your personal details removed.

I can confirm that funding for the above services is allocated as follows:

Ahiahī mārie [REDACTED],

Thank you for your patience while we liaised with our finance team who have provided the following explanation:

The Council's long-term and annual plans are reported at an Activity level as per the Local Government Act (2002) and are not required to delve into the granular details of operating budgets such as specific grants or smaller allocations. The disclosure requirements instead focus on high level financial planning rather than the specific distribution of operating funds.

Payment to staff and suppliers are shown in the Funding Impact Statements within the [Long-term Plan 2024-34](#)

Toi Mahara Gallery Funding – Recreation and Leisure – Page 190-191

Zeal Education Trust and Te Puna Oranga o Ōtaki – Community Support – pages 178-179
