Kāpiti Coast District Council Annual Report on Dog Control Policy and Practices 2023/24

1. Introduction

The Kapiti Coast District Council, as a territorial authority, must report annually on its dog control policy and practices. The purpose of this report is to provide the information required under section 10A of the Dog Control Act 1996 (the Act) in relation to:

- a. Its dog control policy adopted under section 10; and
- b. Its dog control practices.

2. The Council's Dog Control Policy (the Policy)

2.1 The Policy

The Kapiti Coast District Council adopted its Dog Control Policy on 14 March 2019. The Policy outlines how the Kapiti Coast District Council will address the requirements set out in section 10 of the Act. The Policy is enforceable through the 2019 Kapiti Coast District Council Dog Control Bylaw.

The objectives of the Policy are to:

- 1. Ensure all dogs in the District are kept under proper and appropriate control at all times.
- 2. Prohibit or restrict specific breeds of dogs which are known to be dangerous.
- 3. To eliminate or minimise the distress, danger and nuisance caused by dogs to the general public and their property and sensitive sites.
- 4. To ensure that the owners of dogs comply with their obligations under the Act.
- 5. To provide the exercise and recreational needs of dogs and their owners.
- 6. To recognise good and responsible dog owners and to reward them by reduced fees; and to discourage poor dog ownership by applying penalty fees where appropriate.
- 7. To provide for the welfare of dogs by at least ensuring minimum standards of care are met.
