**Request for Information under the Local Government Official Information and Meetings Act 1987 (the Act) (the LGOIMA)**

Thank you for your email of **4 June 2024** requesting the following information:

***The questions I now raise are:***

- 1. How did staff arrive at a figure of 35% of pool revenue being generated by those over 65 yrs as mentioned in the slides? I would like a detailed breakdown of how this figure of 35% was obtained.***

The slide states 'approximately 35%'. Council does not capture date of birth for all its customers and this approximation was based on demographic data captured in 2022 (43%) and 2023 (30%) customer surveys.

- 2. [Redacted]***

We are not aware of any staff making submissions on the Long-term Plan in a personal capacity and staff that spoke during the Hearings did so in their professional capacity.

***Please note that any information provided in response to your request may be published on the Council website, with your personal details removed.***

**3. When was it decided to give council staff free admission to the Aquatic Centre?**

This was decided by the Council's Senior Leadership Team at its meeting of 11 September 2023.
